RE: INCOME GENERATING – POVERTY ALLEVIATION PROJECTS

The Department of Health would like to congratulate you and your team for taking a keen interest in the upliftment of our urban and rural communities.

The food hampers has brought joy and relief to the unemployed and has encouraged them to pursue income generating projects.

The seeds and fertilizer is an incentive towards alleviation of poverty. Many women have fun raised by hand sewing the duvets and raising funds to enroll at sewing classes and starting small businesses.

The clothing was very much appreciated in building their morale.

Salim and Phelani is to be congratulated in their untiring service to humanity driving through long and dusty roads in the heat with a loaded bakkie.

Keep up the good work and congratulations for your participation as a generous kind hearted stakeholder.

GOD BLESS

Regards,

Lalitha
