KZN

Dear Friend,

I trust that the past year has been blessed for you and that the promise for 2009 towards harmony in our world will be realized.

St George's Cathedral is able to assist various outreach programmes by making small donations towards those groups that, like yourselves, are committed to living with compassion and assisting where it is most needed. On behalf of our congregation we would like to make a donation of R5 000.00 (Five Thousand) towards your humanitarian fund and in particular towards Zimbabwe. We admire your rapid response to the need of the people there and want to encourage your being able to move in before the government has made a decision. Thank you.

May Allah bless you with His peace this year and may your hopes for a more caring and compassionate world be realized in our day.

Yours sincerely,

The Very Reverend Rowan Q. Smith
The Dean of Cape Town
